Kris Florek was born in Poland in Zdunskiej Woli. Youngest of three siblings, he grew up in an impoverished working class family and knows firsthand what it's like to struggle financially and live in extreme poverty. Resilient by nature, Kris's obstacles motivated him to change his circumstances, achieve success and propelled him to become a successful entrepreneur.

Today, Kris is a distinguished business man in the field of Real Estate and Property Management, founder of renowned companies like Florek Vastgoedonderhoud and Flow Roll Europa. Furthermore, Kris wanted to share his knowledge and experience with people and companies around the world. In order to do that, he became a member of Andy Harrington Professional Speakers Academy in London. Few years later Kris fulfilled his childhood dream, he stood on stage and divulged his story in front of nine thousand people at the National Achievers Congress.

Presently Europe's Top Business Coach, Kris is passionate about coaching, mentoring and holding seminars worldwide. He is also being nominated for Polish Entrepreneur of the Year 2014.

Being a prominent member of the community Kris supports and donates his time and money to just causes and great organizations. Make A Wish foundation has partnered up with Kris to make children's wishes come true. If you would like to support Make a Wish in supporting Kris Florek then please cast your votes here.
